SAFE-LATCH.com

In Swing

Safe-Latch is a latch hold back device that aids schools in enforcing their locked door policies on a daily basis.

Out Swing

Panic Device

- The classroom door may always be opened from the hallway, with the use of a key
- Works with existing door hardware and minimal install
- Magnets to the door frame

888-950-8798

Under \$40 per door

Not a barricade
